- Degree programs in the College of Business are developed to ensure that students who complete the programs possess the skills and competencies for successful careers or further academic study. To obtain the maximum benefit from the programs, some sequencing of courses is necessary. The model above reflects suggested sequencing. Observance of prerequisites will ensure that you have the background knowledge to obtain the maximum benefit from the curriculum. Please consult the Catalog for prerequisites to courses you plan to take. The following recommendations apply to all majors:
  - The following courses should be taken in your first term: AC/MG 302, MG 320, MG 346
  - The following courses should be taken in your last term: MG 420, MG 480
- All COB majors will be required to purchase LiveText's Accreditation Management System™ when enrolled in MG 320 (or GBA 300) to maintain a portfolio for assessment purposes. Please see course syllabi for details. LiveText will then be used in all core courses (MG 302, MG 320, MG 346, MG 350, MG 352, MG 390, MG 420, MG 480, MK 331).
- Students who do not complete MG 320 at ASU are required to take GBA 300 Business Research Skills, a 1-semester hour course dealing with library research skills and business information sources.

*For additional information regarding advising and scheduling, please consult the Advising and Scheduling Information sheet posted on the COB website.*
