Undergraduate Admission Requirements

I. Policy Statement and Purpose

In accordance with Athens State University's educational mission, this policy establishes the requirements and standards used for admitting students to the University at the undergraduate level. The standards are based on comparable practices at other institutions of higher education, but also recognize the unique status of the University as an upper division institution, in that any prospective student seeking admission to the University at the undergraduate level must have prior college level credit as documented on official transcripts.

II. Applying for Admission- Degree Seeking

A prospective undergraduate student applying for admission to the University who plans to pursue a degree must complete an admissions application and must meet the requirements in one of the following categories. Regardless of the category of admission, **the University reserves the right to determine the applicability of any transfer credit toward the fulfillment of a student's degree requirements at Athens State University.** (See [Transfer and Acceptance of Academic Credit](#) for additional details.)

A. General-Unconditional Admission Requirements

- a. Minimum 36 transferable semester hours prior to term of admission from institutions accredited by an institutional accrediting agency recognized by the U.S. Department of Education; and
- b. Minimum 2.0 cumulative transfer GPA on a 4.0 scale; and
- c. Eligible to return to previously attended colleges or universities.
- d. Submit completed Admissions application and payment of non-refundable application fee; and
- e. Submit official transcript(s) from all previously attended colleges or universities received by Athens State. *

An F-1 international student who wishes to attend Athens State as a transient student must also have a transfer clearance sheet from the current international student advisor.

V. Responsibility for this Operating Policy

Policy Owner

As part of the initial approval of this policy by the President and subsequent to the original dissemination of the policy, the President has assigned the Vice President for Enrollment and Student Services as the policy owner for the ongoing evaluation, review, and approval of this policy. Subsequent reviews and revisions to this policy must be in accordance with approved operating policy procedures and processes.

This policy will be reviewed every three years or more frequently as needed by the Policy Owner. Revisions will be reviewed/affirmed by the Cabinet and approved by the University President. This policy will be updated/published in the University's Policy Library.

Responsibility for Policy Implementation

The President has assigned the responsibility of implementing this policy to the Director of Admissions.
